

Smoked Trout Club Sandwich

Printed from Trout Recipes at <http://www.troutrecipes.org/>

Here's a robust club sandwich without any meat at all—well, hardly. Bacon, smoked trout, and an avocado spread deliver some serious flavor and bite in this hearty recipe.

Ingredients:

1 ripe avocado
¼ cup mayonnaise
1 teaspoon Cajun seasoning
8 slices toasted bread
1 cup arugula
8 ounces smoked trout, sliced
8 slices bacon, cooked crisp
8 slices tomato

Directions:

1) Mash avocado, mayonnaise, and seasoning together in a small bowl. Smear over 4 slices bread. Top with arugula, trout, bacon, and tomato; place remaining 4 slices bread on top. Cut in half on the diagonal; serve.
